In order to properly manage your marketing program, we will need to set up a special email address that copies both you and us for statistics and set up for these search engines. WE will set this up and send you logins for this. If you have an e-mail address we can forward this to, please e-mail us at:

123ActionTeam@gmail.com with that information.

If you don't have a web person, we will be happy to set this up for you, and will need you to provide us with your domain login.
